The screenshot displays the Logos Bible Software 4 interface on a Mac. The main window shows the Greek text of John 1:1-18 with a morphological analysis window open, displaying a donut chart for the word 'λόγος' (logos). The chart shows various grammatical forms and their frequencies. Other windows include the English Standard Version (ESV) text, a search results window for 'λόγος', and a list of parallel resources. The interface is highly detailed, showing various tools and resources available within the software.
